12:15 p.m. 2nd Floor of Student Ed Bldg

June 10: Depart for Little Rock

7 a.m. Check in 2nd Floor of Student Ed Bldg

Lodging and Meals

This year we will be staying in dorms at Hendrix College in Conway, Arkansas. There will be two students per room. Each student should bring bedding, a pillow, and a towel. There will be NO need for air mattresses this year. Students will receive a key and a key card for the week. If lost, they will cost \$50 each. We will do everything we can to help students not lose them. Meals will be eaten at Hendrix College. Their dining service will prepare each meal as well as lunches for the worksites. If your student has any special dietary needs, please email us at info@wcstudents.com as soon as possible if you have not already listed it on the registration form.

Trip Updates

Updates for the trip can be found in the weekly email and wcstudents.com. We will also use text messaging and social media as we get closer to departure.

What NOT to Bring

- Alcohol, tobacco products, illegal drugs
- Expensive clothes or jewelry
- Computers, electronic games, or anything valuable
- Fireworks, weapons, or toy guns
- Immodest clothing

Personal Tools

- Safety goggles (not sunglasses, preferably wrap around)
- Leather work gloves
- N-95 Disposable Mask

Cell phones, Tablets, Airpods, etc.

Adults will have their cell phones with them in case of emergencies. We know students like having devices for the bus ride. We recommend not bringing anything brand new or of great value. Use caution. Airpods are often lost on these trips, especially on buses. Phones have been lost and broken. Though everyone is welcome to bring them, we are not responsible for lost, broken, or stolen items.

Travel

Chuck's Travel will be providing us with safe transportation on two charter buses to and from Conway, Arkansas and each day to and from the campus and worksites. We have used Chuck's Travel for many of our past trips and they have become our favorite and most trusted transportation company

^{*}Label as much as possible!

Workgroups

Workgroups will consist of 10-12 students and 2 adult leaders who will co-lead students in executing projects throughout the week. Students are assigned to workgroups with the intention of providing an opportunity to grow in community. This means students will likely be assigned to a workgroup that consists of people they are already friends with along with others they do not know as well.

Medications

All medication needs to be turned in to the student ministry staff at check in the morning of departure. Please bring ONLY that week's medicine (not a full container) in the original Prescription container with the prescription label. Labels will be available that will allow each person to write out the name of the prescription, dosage, and frequency. Adult leaders will distribute medications each day as required. We will bring basic medications like Ibuprofen, Tylenol, Sudafed, etc., so students are not permitted to bring any OTC medications. Students should keep their epi pens and inhalers with them at all times in case they need them.

Code of Conduct

In order to protect the integrity of this trip, we require every student and their parent to agree to the Code of Conduct. If the Code of Conduct is violated during the trip, disciplinary action will be taken that could include being immediately removed from the trip. There will be zero tolerance for pranks, bullying, possession of illegal substances, weapons, or any other illegal activity.

Adults Needed

This trip simply CANNOT happen without adult leadership! Because we are required to provide a minimum of one adult leader for every five students, the number of adults who choose to join us on this adventure strictly determines the number of students we will be able to take. Please consider teaming up with us to lead a small group of students in serving the people of OKC for a few days this summer. This experience will surely be one you will NOT regret!

If you have any questions about what it takes to be a workgroup leader or if you just need a good pep-talk to convince you why this will be the best decision you will make all year long, please contact Michelle Joseph at mjoseph@whiteschapel.org.
