REGISTRATION & WAIT LIST

All students of the graduating classes of 2031-2032 are welcome to register for this trip! Because space is limited, ALL students will initially be placed on a WAIT LIST on a first come first served basis and when an adult signs up, five students will be placed on the final roster. If a parent of a student on the wait list registers as a work group leader, their student will automatically be added to the final roster.

ADULTS NEEDED

In order for this trip to be a success, more than 20 adults are needed as work group leaders! We hope you will consider joining us. We are happy to answer any questions or concerns you may have. Work group leaders are responsible for co-leading a team of students with one or two other adults in assigned projects and facilitating group discussion/devotion times (provided). Because we are required to provide one work group leader for every five students, the number of students who can attend this trip is strictly determined by the number of adults who register for this role. If you have ever wanted a shot at being a hero for a week, this is definitely it!!
